April 9, 2020

Dear Program Participant,

As you are aware, the Novel Coronavirus (COVID-19) has impacted the daily lives of all Californians. All schools and some businesses are closed with more being affected every day. The latest direction from the Department of Health Care Services (DHCS) allows for the provision of temporary Remote Participant Services also known as Telehealth.

To avoid a delay in completing your Driving Under the Influence (DUI) Program, MAAC DUIP will begin offering Remote Participant Services on April 16, 2020.

Remote Participant Services will enable you to continue your DUI classes with a certified counselor via a virtual meeting platform (Zoom) temporarily during the COVID-19 crisis.

To participate in Remote Participant Services, you must:

1. Sign the Privacy Policy and return it to MAAC DUIP by email.
2. Register in advance for the session via an email link that will be sent to you in advance of the scheduled session.
3. To receive credit for the session, you must:
 - a. Attend the session in a private room, free of distractions.
 - b. Stay for the entire session.
 - c. Not be under the influence of alcohol or other drugs during the session.

Certain technology is required to participate in this program. You must have either a computer, tablet, or phone with a working microphone, speakers, and a camera (for video meetings). You must also be able to download the free Zoom software onto a computer or download the Zoom application on a tablet or phone.

To take advantage of this unique opportunity and keep your DUI program progress on track, read the privacy policy on the following page and sign where indicated. Return the signed page via email to your assigned counselor.

If you have any questions, please contact Amy Miller, MAAC DUIP Operations Manager at amiller@maacproject.org.

Sincerely,

A handwritten signature in blue ink that reads 'Patricia Bailey'.
